Jeanne

I thought it might be helpful for you to see this meeting packet we prepared for the September meeting with Dr. Puls and E&E. I think there may be some disconnect in communication - I'm not sure what you have and don't have so thought this might be useful.

Thanks, Stephanie

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program  
could  
contain a computer virus which could cause harm to EPA's  
computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses  
introduced

into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
